

Music Conference Alberta

October 30-November 1, 2008

Early Bird Registration Deadline is September 30, 2008

You will not see ARMTA on the websites that you go to. This is the reason.

The MCA members must have an open membership policy.

ARMTA members take part in this conference by joining one of the “open membership” groups. ARMTA is a non-profit organization but members of the public cannot become ARMTA members even if they support our work. That makes us a “closed membership” organization. We need to join an “open group”; they planned Music Conference Alberta. ARMTA is supporting them.

MEMBERSHIP ANNUAL FEES

- Alberta Band Association membership \$75.00 www.albertabandassociation.com
- Alberta Choral Foundation membership \$25.00 www.albertachoralfederation.ca
- Alberta Kodaly Association membership \$40.00 www.albertakodaly.ca
